KairosPDX
**SPREAD
THE
LOVE**

**Join us Friday,
February 9th, 2024
for our annual Spread
the Love event!**

Dear Friends,

It has been a busy but wonderful year. In early August, KairosPDX celebrated the 11th year since our founding as an organization! This reflects more than a decade of persistent work addressing racial inequalities. KairosPDX was created in 2012 to address both the region's and state's prolific racial academic achievement and opportunity gaps, particularly as they pertain to Black youth. As we continue to face the challenges of systemic racism, our commitment to creating a more just and equitable society has never been more necessary.

We believe that uplifting Black and Brown voices and families leads to the prosperity of the collective, and we know the critical role education plays in changing outcomes. We have always approached our work with the understanding that we are a part of a collective that includes culturally-specific organizations, philanthropists who support our work, governmental agencies, and everyday people. Interconnection is foundational to succeeding in our mission.

On Friday, February 9th, 2024, we will host our annual Spread the Love event. We hope you will attend the event and consider joining us as a sponsor. From our young Leaders to our community partners, together we are creating a better tomorrow!

Warmly,

Marsha P.J. Williams
Chief Executive Officer / Co-Founder

The mission of KairosPDX is to eliminate racial achievement and opportunity gaps by cultivating confident, creative, compassionate leaders.
